We are a non-profit group that runs this website to share documents. This "Cross-fertilisation" means that you can new approaches to old problems. The author also says that creative thinking is just like sex for the mind (it is not sure what his sex life is, but each one of himself ...). If you've ever seen a cardboard box and pretend that it was a spatial ship or a racing car, you're creative. Mental lock = "Making of errors is bad" - Whack = "Success" is not always good (it can trap in a certain way of thinking) and "FAILURE" Not always bad (it means what you are doing now does not work, but this does not mean that you will never find a solution) Mental lock = "I am simply not creative" = all are creative. To keep our site running, we need your help to cover the cost of our server (around \$ 400 / m), a small donation will help us a lot. Sometimes we just need a £ ~ because because we take out out. "how you can be more creative" "mental lock = "I need to find the right answer ... s always a second "Answer Answer", push over the first thing that comes to mind and think of another response Lock Mental = "PlayPlay is frivolous, we must be practical ... WHACK = Use your imagination! Sometimes you have to think practically, but sometimes you have to grant you the
